DAMIEN PHARMACY

alpha

Eligible if: You live in Indiana and you are NOT on Medicare, Medicaid, or TriCare insurance

Wegovy®
$29/$99
Tablet Injector

\+

$49
Monthly Care Membership

=

$78/$148
Tablet Injector
Total Monthly Costs

Out of pocket cost is subject to change based on manufacturer pricing and program policy

Ozempic® also available if prescribed, at the $148/mo out-of-pocket cost

What changed from 2026?

1. Wegovy Tablet pricing reduced from $49 to $29
2. The monthly care membership increased from $29 to $49

Why were these changes made?

The changes were made to support shifts in medication pricing while still maintaining the best possible value for your employees.

Grandfather pricing for 2026 members!

In the spirit of equity, and as a thank you for the success of the inaugural year of the DC Weight Management Program all active 2026 members will maintain the $29 Monthly Care Membership through the 2027 calendar year.

New members as of January 1, 2027 will be subject to 2027 pricing.

FAQ

1. Do I have to have insurance to participate/ can I use my insurance to participate?
    a. No, this is a voluntary, self pay program.
2. Can I use my HSA/FSA card?
    a. Yes, both are accepted.
3. Do we offer other medications (like tirzepitide)?
    a. At this time the program only offers Wegovy and Ozempic as options.
4. What is the average turn around time between appointment and getting the medication?
    a. Typically 3-4 business days.
5. What does the program support at Damien Center?
    a. Services such as nutrition support, housing support, mental health support, medical support, and much more for our underserved neighbors in Indianapolis.
6. As and employer can I pay for the program on behalf of my employees?
    a. Not directly, however FSA/HSA payments are accepted by the program.
7. Is this considered a medical benefit?
    a. No this would be considered a wrap wellness benefit; more of an addition to the existing health and wellness plan.
